People, Processes, Partnerships

Certified: Our consultants hold some of the most respected certifications in the industry including MSCE, CISSP, CCNP, PMP, PgMP, VMwareCP, and iTIL.

Experienced and Cleared: The average Zigabyte consultant has 17 years of IT experience, and more than 90% of Zigabyte's consultants hold a Secret Clearance or higher.

Mature Processes: Appraised at CMMI Maturity Level 2, our work and processes have received the highest form of third-party validation.

Hire a Consultant, Get a Team: Zigabyte is founded on collaboration and shared success. Every single employee is aware of your project and is committed to supporting it. Reach back support is guaranteed.

Industry Leading Partnerships: We have professional partnerships with leading product providers including Microsoft, Quest, SailPoint, RadiantLogic, BeyondTrust, Thycotic and VMware.

Service-Disabled Veteran Owned Small Business: We are proud of our service and believe that it has shaped our core values and our workforce: we are a diverse, disciplined, meritocracy that insists on excellence.
